About us

Excel girls high school is a Christian boarding school for girls only. It is committed to providing adequate and quality education to young girls in the East African Region. The school is founded on strong Christian principles which not only guide in imparting knowledge to students but also in moulding learners into responsible God fearing citizens and responsible persons. The girls are moulded through tuition, guidance and counselling to become leaders in their respective careers when they move on in life. Individualized attention is given to their intellectual and moral development.

Vision

To be a center of Academic Excellence in East Africa and beyond where each student will develop the highest possible, moral, academic, cultural and sporting standards.

Mission

To impart knowledge and mould learners through quality teaching, training, guidance and counselling to become responsible God fearing citizens and leaders in their respective careers when they move on in life.

Location

The school is located in Kitengela 30KM from Nairobi and 5KM off Namanga Road, branching off at Technology Development Centre. Its location provides a very conducive environment for learning; away from the hustle and bustle of the city.

The Curriculum

The school offers 8-4-4, Education curriculum leading to Kenya Certificate of Secondary Education (K.C.S.E). Excel offers pure sciences, which give our students an opportunity to pursue science related careers such as medicine, pharmacy, engineering, etc;

when they join universities and colleges of higher learning. We also offer computer studies and Aviation Technology classes.

Co-curricular activities

Sports

Excel emphasizes sporting prowess & offers a wide variety of sports such as; Swimming and basketball.

Clubs

In clubs students are encouraged to develop self-reliance, physical endurance, leadership attributes and first aid skills.

Other activities

Students take part in the national music festivals, the science congress and various mathematics symposia.

Sporting tournaments and theatre visits are regularly organized. Educational trips within the country are a common feature of the school.
